

Safeguarding Policy

Portsmouth & Southsea Fencing Club (PSFC) acknowledges the duty of care to safeguard and promote the welfare of children. The club is committed to ensuring safeguarding practice reflects statutory responsibilities, government guidance and complies with British Fencing requirements.

The coaching staff are DBS checked and have up-to-date safeguarding qualifications and first-aid certificates. The club also elects a Welfare officer to its committee who is the first point of contact for concerns regarding safeguarding and welfare. The Welfare Officer will also be DBS checked and have completed the relevant training.

This policy acknowledges that the welfare and interests of children are a priority. It aims to ensure that regardless of age, ability or disability, gender, race, religion or belief, or socio-economic background, all children:

- promote and prioritise the safety and wellbeing of children and young people
- ensure the Committee and Club Coach understand their roles and responsibilities in respect of safeguarding and are provided with appropriate learning opportunities to recognise, identify and respond to signs of abuse, neglect and other safeguarding concerns relating to children and young people
- ensure appropriate action is taken in the event of incidents/concerns of abuse and support provided to the individual/s who raise or disclose the concern
- ensure that confidential, detailed and accurate records of all safeguarding concerns are maintained and securely stored
- prevent the employment/deployment of unsuitable individuals

The policy and procedures are promoted in the club and are mandatory for those involved in PSFC.
